Each year we give our customers the advantage of our sale of Iris rhizomes. These are the usual large plants that we send out every season.

After July 10, we will sell all Iris at one half price while they last, (except those marked "net", which are in short supply.) You must pay the postage. You may order early and reserve for this sale, as we usually sell out.

Orders will be filled in rotation as received. If sold out of any variety, your money will be refunded. Please send a substitute list.

Washington customers please add State sales tax of 3 per cent.

HYBRIDIZER

We wish to thank our many customers for your business, which increases year by year. We will continue to use compost as it produces those vigorous, healthy plants.

Our flowers are larger and more vivid in coloring and appear to be more disease resistant. We shall continue to experiment in the hope of finding the ultimate in methods and results.

We guarantee stock true to name, reaching you in good condition. We have no control over the growth in your garden; however, if for any reason you are not satisfied, please write us about it.

If stock is sold out we will refund your money. Terms are cash with order, check, draft or money order. Shipments will be made after July 10.

We do not issue a wholesale price list.
